Subject: Notification to Add Alternate Brand Name *Natural Guard by ferti-lome Diatomaceous Earth* and Amend Other Minor Label Language
Decision Number: 488337

Dear Ms. Mallory:

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 dated January 24, 2014 for the product EPA Reg. No. 7401-449. The Registration Division (RD) has conducted a review of this request for its applicability under PRN 98-10 and finds that the action(s) requested fall within the scope of PRN 98-10.

If you have any questions, please call me directly at 703-305-6701 or Carlyn Petrella of my staff at 703-347-0439.

Sincerely,

A handwritten signature in black ink, appearing to read "M. Walsh".

Michael Walsh
Insecticide Branch Acting PM 13
Registration Division (7505P)

FIRST AID	
Have the product container or label with you when calling a poison control center or doctor, or going for treatment. [In the event of a medical or chemical emergency, contact [ChemTel Inc. logo] North America 1-800-255-3924 or Worldwide Intl. +01-813-248-0585.]	
If inhaled	<ul style="list-style-type: none"> • Move person to fresh air. • If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. • Call a poison control center or doctor for further treatment advice.
If on skin or clothing	<ul style="list-style-type: none"> • Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15-20 minutes. • Call a poison control center or doctor for treatment advice.
If in eyes	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center or doctor for treatment advice.
If swallowed	<ul style="list-style-type: none"> • Call a poison control center or doctor immediately for treatment advice. • Have person sip a glass of water if able to swallow. • Do not induce vomiting unless told to do so by the poison control center or doctor. • Do not give anything by mouth to an unconscious person.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling. Use adequate ventilation and avoid breathing dust. Wear a suitable dust mask when using this product during prolonged exposure periods.

Hi-Yield Crawling Insect Control is made from Amorphous Diatomaceous Earth fresh water type. Its killing actions are mechanical. Insects cannot become immune to its action. Insects come in contact with the powder or ingest it and literally dry up and die within 48 hours. Diatomaceous Earth also has a highly repellent effect on most insects. Diatomaceous Earth is odorless, non-staining and remains effective in the control of insects as long as the product is present.

ENVIRONMENTAL HAZARDS

To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Indoor Uses: Crawling Insect Control is intended for application with a hand duster, power duster or similar means for application to areas where crawling insects are found. Apply Crawling Insect Control to cracks and crevices with the use of a bulbous duster or other suitable equipment. Apply lightly and uniformly.

[Option B: Spout Top Applicator - This product is intended for application to hiding and runway areas and other places where insects are found. Remove cap from top of spout. Clip the end of spout off to apply the product. Point directly to treatment area and squeeze bottle to apply product. Replace the cap on end of spout when finished applying.]

For Cockroaches, Ants, Earwigs, Millipedes, Centipedes, Crickets and Silverfish: Lightly coat a thin layer of Crawling Insect Control in areas where pests are found and may hide such as cracks and crevices behind and beneath refrigerators, cabinets, stoves, garbage cans and in and around sewer pipes and drains, window frames and in attics and basements. Dust insects directly if possible. Repeat treatment regularly or whenever reinfestation is noted.

For Fleas: Thoroughly treat floor and bedding in and around pets sleeping quarters. Treat surrounding cracks and crevices, baseboards, carpeting and wherever fleas are suspected. Treat pets directly with a product registered for use to control fleas.

For Carpet Beetles: Dust along baseboards, carpet edges, under carpeting, furniture, in closets and shelving where these insects are seen or suspected.

Bedbugs: Dismantle bed. Use Crawling Insect Control in joints, crevices and where rungs are inserted. See that all interior areas are dusted. Dust mattresses especially folds and edges. All cracks and crevices in the bedroom should be treated.

Outdoor Use: For Control of Cockroaches, Earwigs, Grasshoppers, Ants, Crickets, Slugs and Other Crawling Insects: Lightly coat a thin layer of Crawling Insect Control in areas where these insects are found such as patios, outdoor sills, window and door frames. Dust around foundations, along ant trails and around sewer pipes and drains.

STORAGE AND DISPOSAL

Pesticide Storage: Store in original container. Keep in an area inaccessible to children and pets.

Pesticide Disposal: If empty: Non-refillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available. If partly filled: Call you local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

NOTE: Buyer assumes all risks of use, storage or handling of this product not in strict accordance with directions given herewith. Voluntary Purchasing Groups, Inc. warrants this product to conform to the chemical description on the label and for the purposes stated on the label. The limit of any liability incurred shall be the purchase price paid by the user or buyer.
